

# Blending

## DO NOT GROUP BEFORE BLENDING!!

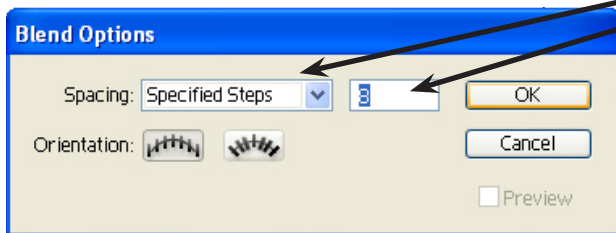

1. Select Objects that you would like to group, by drawing a box around the objects.

**\*\*The objects must be DIFFERENT colors-- There must be NO STROKE!!**

2. Go to **OBJECT, BLEND, BLEND OPTIONS**

3. Apply these settings to the **DIALOG BOX!**

**THEN  
CLICK OK!**

4. **DO NOT DESELECT YOUR OBJECTS!**

5. Go back to **OBJECT, BLEND, MAKE**

6. Your **RESULTS** should look **SIMILAR!**
